

Grand Rounds

August 19, 2014, 7:00 a.m.

The Brennan Center
Fairview Riverside East Building
Lobby Level, (2nd Floor)

**“Perinatal Hospice and Palliative Care:
Supporting families who continue
pregnancies with a
life-limiting prenatal diagnosis”**

Dr. Steve Calvin, MD

Dr. Bridget Keller, MD

Amy Kuebelbeck, freelance writer and author

Learning Objectives:

1. Identify prenatally diagnosed conditions that may be appropriate for perinatal hospice and palliative care.
2. Identify ways to support these families through the model of perinatal hospice and palliative care.
3. Describe the origins and development of perinatal hospice and palliative care.
